## Presentation from 'The Bike Club'

**bike club** We recently received a grant of from 'The Bike Club' towards the purchase of a trailer. A trailer will make transporting the bikes around a much easier job and allow us to put on more 'Come & Try' sessions. We are the 200<sup>th</sup> club to receive a grant from 'The Bike Club' and to acknowledge this we were presented with a special certificate by Karen from Asda in Ayr. 'The Bike Club' is supported by Asda's 'Pedal Power' program.

## Thank You

*A huge thank you to Stuart Dillett from Land Engineering. Land Engineering sponsored the 'Activity in the Community' award that Peter won at the recent Ayrshire Sportsability Ball and generously gave a cash award to each nominee. Colin Duthie was also in this category. Colin has already been so much help to the club and we were overwhelmed when he donated the money that he received to the club. This has allowed us to buy a new bike. Once it has arrived Stuart will be visiting the club so we can thank him personally.*

## Congratulations

Club member Gavin travelled to Denmark to compete in the International Cup in Denmark on July 9<sup>th</sup>. Last year Gavin set two World Records in the U/12yrs RR3 class for 100m and 800m. He went even better this year, setting new World Record times again for these distances but also for the 200m and 400m. He absolutely smashed his PB times for the 400m and 800m. Well done Gavin - we are very proud of you! Next year we very much hope that other RaceRunners from Scotland will travel to Europe to compete.
