Superstar Gordon, from South Ayrshire Access to Sport (SAAS), successfully applied to 'Tesco' and money was granted for the purchase of 2 new bikes.

Kayleigh & Gavin travelled to compete in the **CP English National Championships** in Nottingham,

held on 17/18th September, and again did us proud. Nick Bister also attended, previously he was the only person in the UK competing in RaceRunning. It was wonderful to meet him at last and benefit from his vast experience of Running Bikes. A 'Come & Try' session was also included with Jason from Quest88 in attendance. Our information

leaflets were taken back to places such as Somerset - word is travelling further and further afield!

Nine RaceRunners competed at the **Forth Valley Games** on Sat 24th September, the final outdoor athletics event of the 2011 season. This is the largest number yet and included two newcomers from the Forth Valley Club itself. For once the sun shone and we had another wonderful & very busy time with non stop racing throughout the day. A special mention to Andrew who was competing in his very first events too – well done!

A Festival of RaceRunning will be held on Sunday November 20th at the indoor track at Grangemouth Athletics Stadium. This is both for those who have already tried a Running Bike and also for those who would like to try one. We are currently busy promoting this event.
