## Sport Relief 2014

*Well Done Jodie - what a fantastic achievement!*

## 'Come & Try' events

In March, we provided one of the activities at a Paralympic Experience Event, held at Forester High School, Edinburgh. This event allowed young people with disabilities from schools throughout Edinburgh and the Borders to try out a range of sporting activities.

## South Ayrshire Youth Forum 2013 Awards

Congratulations to Gavin & Natalie who both reached the finals in different categories of the 'South Ayrshire Youth Forum' 2013 Awards last December, Natalie in the Volunteering section and Gavin in the Sports section.

Congratulations to Gavin who was selected as the winner of the Sport category.

Whilst Natalie was not chosen as the overall winner she is already a winner in our eyes as she gives many hours of her own time helping at the club, at competitions, at festivals and other events.

*Thank You Natalie!*
