

A.C.E. RaceRunning Club Newsletter - Summer 2015

Troon Tortoises 10km

We were delighted to be chosen by Troon Tortoises Athletic Club for a second time to be the charity to benefit from café sales at their annual 10km event in May. A.C.E. members Iona & Gavin took part in the junior event on their Running Bikes before nearly 1000 adults ran the 10k distance. Club President Hazel McFarlane & members of the club presented a cheque to Gavin & Margaret at their club night.

Competition News

The club ran it's first ever Race Night on 22nd June. It was a great success. Amazingly the sun shone on the 11 competitors and many Personal Bests were set. A big thank you to all our volunteers who acted as race starters and time keepers as well as South Ayrshire Council/Sports Development and Active Schools for their support. An extra special thank you to Natalie who organised the night so brilliantly, from the start lists to results compilation, ensuring the event ran very smoothly. Photos and video from the night can be found on the club website.

10th RaceRunning location in Scotland

We are delighted to announce that Lothian Leopards Disability Athletics Club based at Meadowmill, outside Edinburgh, is the 10th location in Scotland to offer RaceRunning. The club held a very successful launch day, as you can see.

We have also just held a 'Come and Try' event in Fife which was really well attended. Perhaps this will be location number eleven?

Club Website
