

Platinum Sponsor : Blue Rock Insurance Brokers

We were delighted to welcome Tom, John & Lesley from Blue Rock Insurance down to the club to thank them in person for providing us with new club fleeces and to receive a cheque for over £2,200 as a result of the “Tough Mudder” challenge they undertook for us. We very much appreciate their continued support.

RaceRunning debuts at WPA European Championships

RaceRunning was included for the first time at the WPA European Championships in Berlin with one event, the 100m. British Athletics selected 4 RaceRunners (3 from Scotland and 1 from England). We were thrilled that club member Gavin Drysdale was one of them and he kept up his winning form to take the Gold medal in the mens RR2/RR3 race in a new World Record time of 17.37s. Hot off the plane from Berlin, he came to show us his medal. Many congratulations to Gavin on his achievement.

It's awards season - And the winner is.....

Well done to William who was announced as the 2018 winner of Ayr Seaforth AC “Commitment to RaceRunning” award. William was presented with his trophy at the annual awards dinner for his regular attendance at training, participation in competition and consistent improvement over the last year, setting personal best performances along the way. Gavin also received an award to recognise his performance at the European Championships. Here they are pictured with David on the night.

And Thank you.....

Our club sessions have now finished for 2018. Once again, a huge thank you to our volunteers at the club and to all those who have fund raised and supported us through the year. We look forward to resuming again in Spring 2019.
