

Sessions are now well underway for the 2019 season and it has been good to get back out on the track after the winter break. The weather has, on the whole, been kind to us. Over the winter we took delivery of 2 new bikes which are already in use.

**Pitreavie RaceRunning Club, Dunfermline**, is one of the newest RaceRunning Clubs in Scotland and also one of the busiest. They held an inaugural RaceRunning event on May 18<sup>th</sup> which attracted a field of 26 RaceRunners from across Scotland. Typically, the sun deserted us on that day but the light rain didn't dampen anyone's spirits. Dylan put in great performances in the 100m, 200m and 400m achieving 2 Silvers and a Bronze finish.

Gavin is aiming to gain selection by British Athletics to the World Para Athletics Championships in November this year, and got his season off to the best start with a new personal best time of 16.9 secs in the 100m.

South Ayrshire Council has approved funding for the construction of a new athletics facility adjacent to Ayr Academy to include an 8-lane running track, parking, storage, changing facilities, seated stand and an indoor warm up facility. A drop in consultation event has been scheduled to take place in Ayr Academy on Thursday 6<sup>th</sup> June between 3.00pm and 8.00pm which will provide the public and local groups an opportunity to discuss the proposals and feed in their views. We look forward to viewing the proposed facilities and time schedule. Please do go along and view the plans yourself if you are able to.
