

ACE RaceRunning - Winter 2020

A final newsletter as 2020 comes to a close.

Saltire Awards

Natalie has been volunteering with ACE since August 2013 and we are delighted to announce that she has been awarded her 500 hours Saltire Certificate. The Saltire Awards are the Scottish Government's way of celebrating, recognising and rewarding the commitment, contribution and achievements of young volunteers aged 12-25 in Scotland. Natalie has been a great asset helping out at club nights, competitions, come & try's and behind the scenes in general. We could not operate without our volunteers and we are truly thankful for all their time and energy. So thank you very much Natalie for your commitment and help over the last seven years and we wish you all the best as you commence your graduate role after university.

Thank you

We were unsuccessful in our bid to secure an award from the SPAR Scotland Community Cashback Campaign but thank you to everyone who took the time to vote for us and spread the word.

However, we received a donation from idverde thanks to our wonderful long-time supporter Barbara. Barbara was involved in making up PPE at the start of lockdown and requested a donation to the club in lieu of her time. Our thanks go to Barbara and idverde for this very kind gesture.

London Marathon

Matt Humphries from Nottinghamshire made history by becoming the first person to take part in the London Marathon on a Running Bike. Sadly he was not able to complete it in front of the thousands who usually line the route in London, however he covered the 26 miles 385 yards on a route closer to home in the magnificent time of 4 hours and 34 minutes. An amazing achievement.
