ACE RaceRunning - Spring 2021

It seems a long time ago now, but we hope you all managed to have an enjoyable Christmas and New Year despite the constraints.

At this time, we would usually be getting ready to restart sessions after our winter break. Like most other organisations and activities we are on hold until we know how Scotland will come out of this latest set of restrictions and when we might be able to resume.

At least the nights are getting a bit lighter and it feels as if Spring is just around the corner.

Across the weekend of April 23-25, Laura & Margaret are taking part in the 2021 virtual Kiltwalk to raise funds for ACE RaceRunning. We are team ACE Kiltwalkers.

You can see the team page at [ACE Kiltwalkers \(theKiltwalk.co.uk\)](http://theKiltwalk.co.uk)

All the money we raise will be topped up by 50% thanks to the Hunter Foundation which is really fantastic. So for every £10 donated, we will receive £15.

We would love to have more team members. Being a virtual event this year, the beauty is you can set yourself any challenge to do during that weekend.

Margaret is going to walk 26 miles over the weekend and Laura is going to walk/cycle 26.2 miles.

If you would like to take part and join our team then email Margaret on info@acerr.org to find out how.

We hope that you and your families are safe and well and we look forward to coming together again when we can.
