ACE RaceRunning - June 2022

We hope you were all able to enjoy some sunshine over the Queen's Jubilee Holiday Weekend. Here is our latest news.

Pitreavie Festival of Frame Running

The Frame Running club at Pitreavie recently held a Frame Running Festival. This was open to all levels of Frame Runners from the novice to elite. Cheered on by their enthusiastic supporters, 27 athletes from 7 clubs came together for a wonderful day of events ranging from 40m to 1500m. Four athletes from Ayr were able to travel to Dunfermline and, despite cool and very windy conditions, they once again put in excellent performances. In particular, Tony achieved new PB times in the 200m and 400m and Nici set a terrific time in her first 1500m on the track. Our thanks go to our coach David for his excellent work and to family members for all their support.

Craigie Athletic Arena

Construction of the new Athletic Arena continues as planned with the Pavilion, Grandstand and Storage Building at an advanced stage. The Athletics Hall Structure is complete and the fabric canopy will be installed when the weather is favourable. The external works such as Floodlights and landscaping are also proceeding.

Give As You Live  **& Amazon Smile**  **amazon smile** **on mobile devices**

I had a query about shopping when using a mobile device. You can still raise funds for us using the Give As You Live and Amazon mobile apps. With Amazon, once logged into your account, search for 'Amazon Smile UK'. Tap on the option to enable Amazon Smile, then choose ACE RaceRunning as your charity. Thank you, every little helps.

Now....back to training...
