## ACE RaceRunning - June 2023

### Pitreavie Festival of Frame Running

The Pitreavie Festival of Frame Running returned with over 30 athletes competing this year coming from far and wide – even the north of England. This popular event is open to all levels of Frame Runners from the novice to elite. Three athletes from Ayr took part in Dunfermline with conditions more favourable than last year. Oliver, very composed in his first ever competition, took Gold and Silver in his 50m & 40m respectively, also the award for the youngest competitor. Tony continued from where he left off last year with 2 new PB's out of his 3 events taking 1 Gold & 2 Silvers. Gavin focused on the 100m event where he took Gold. Our thanks go to our coach David for his excellent work and to family members for all their support.

### Ayrshire Open Graded Meeting

*Gavin and Tony took part in their first event at the new Riverside Sports Arena in the recent Open Graded Meeting. Events were the 150m and 300m, a first for our athletes. It was a perfect night weatherwise – the sun was shining and no wind!*

### Congratulations Olivia!

Our huge Congratulations to Olivia who has received her Silver Award from the South Ayrshire Volunteer Awards.

Olivia has been a popular and key part of our group for over 9 years and richly deserves recognition for all the time she has given to us.

Thank you very much Olivia – we really appreciate it!
